29,000 WATTS OF POWER FOR CLEMSON!

A powerful new FM station has been authorized for Clemson and Anderson, and construction has already begun.

FM—the new static-free radio, will give CLEMSON unsurpassed radio facilities among the colleges and extension Services of the nation! WCAC will gradually replace Clemson's use of WAIM, which has provided studios on the campus for the past eleven years.

The new station will be built by Wilton E. Hall, who established WAIM, "South Carolina's FIRST Columbia Network Station" in 1935. It has been named "CAC" in honor of Clemson Agricultural College.

DIXIE GAS PRESENTS ENTIRE FOOTBALL SCHEDULE

Capt. Frank R. Thompson, President and Treasurer of the Anderson Petroleum Co., is this season presenting by remote lines direct to the playing fields, ALL of the CLEMSON FOOTBALL GAMES! Follow the TIGERS over WAIM—and for POWER TO PASS, USE DIXIE GAS!

W A I M

"The Voice of Clemson College and Anderson College"

If the Tigers went to Hades (to play football, we mean) our remote lines would be right in there to bring you the play-by-play report. WAIM broadcasts ALL Clemson games.
